LIABILITY WAIVER

At my request, Waller County may place fill dirt on my property at the above stated location. Upon entrance onto my property by Waller County, its Agents, Servants, Employees or Contractors, I agree to assume responsibility for any and all damages that may be incurred by Waller County performing this agreement, and further agree to hold Waller County harmless, for any and all damages incurred hereunder.

It is my understanding that Waller County will not spread dirt hauled on my property and the same will be unloaded within 200 ft. of the county road at a location agreeable to Waller County. It is my understanding that this request will be void after six (6) months from the date of request and it will be necessary for me to resubmit the request after the void date if dirt is still desired. It is my understanding that in no way is this or any future request a promise of a guarantee that I will receive fill dirt at any particular time, but it is at the discretion of Waller County to unload at the location most convenient to Waller County at the time. No fill dirt is to be placed in the 100-yr floodplain without obtaining a development permit.

Thank you for taking the time to read this agreement very carefully. We hope that your request can be fulfilled.
